

**Take your place in Building 210, a tower with some of the best views on campus. It's a modern workspace with spacious offices, sophisticated meeting rooms and a thriving network right outside your door – and we're opening it up to organizations like yours.**

### **Perfectly placed for progress**

We're inviting new tenants to the building – located at the heart of the campus, within walking distance of the main entrance. Outside you'll find a tranquil green, and as you ascend the tower you'll be treated to spectacular views that take in the best architecture on the campus.
